**EXECUTIVE ORDER NO. 2021-27**

**RELATIVE TO EXTENDING THE  
PUBLIC HEALTH EMERGENCY**

**WHEREAS**, on March 14, 2020, I, Lourdes A. Leon Guerrero, *I Maga'hågan Guåhan*, Governor of Guam, acting pursuant to the power provided by the Organic Act of Guam and the laws of Guam, declared a public health emergency in the island of Guam due to dangers posed by the 2019 novel coronavirus (“COVID-19”); and

**WHEREAS**, since declaring a public health emergency, Guam has suffered two hundred thirty-five (235) COVID-19 related deaths; and

**WHEREAS**, as of the time of this writing, over eighteen thousand (18,000) individuals have tested positive for COVID-19 in Guam; and

**WHEREAS**, our daily new cases average 92.6 and our effective retransmission value is calculated at 0.96 as of the time of this writing; and

**WHEREAS**, since June 2020, Guam has relied on the Covid Area Risk (“CAR”) Score to assess the risk of COVID-19 spread, which is calculated using three (3) main data points – effective retransmission rate, test positivity rate, and new cases per 100,000 persons; and

**WHEREAS**, Guam’s CAR Score is presently calculated at 17.6; and

**WHEREAS**, at the time of this writing, fifty-seven (57) patients are hospitalized with COVID-19, including six (6) in intensive care and five (5) on ventilators; and

**WHEREAS**, the COVID-19 pandemic remains a clear threat to our safety as a community, and we must all continue to take common sense precautions as individuals to protect ourselves and our loved ones against this disease; and

**WHEREAS**, as our island continues to be engaged in emergency response, it is important that we utilize our best available tools against COVID-19, including vaccines, monoclonal antibody therapy treatment, testing, and, as always, the practice of strict personal mitigation measures; and

**WHEREAS**, by getting vaccinated and continuing to practice basic mitigation measures of washing hands, wearing masks, and maintaining social distance, we will continue to make strides towards minimizing the spread of COVID-19 on our island, and keeping our community safe.
