

Get Vaccinated.

GDOE & DPHSS will be hosting school-site COVID-19 vaccination clinics for students who are 16 years old and above. The **Pfizer-BioNTech COVID-19 vaccine** will be administered to eligible and interested participants.

**When: Monday, May 3, 2021,
9:00 a.m. to 3:00 p.m.**

Where: JFK High School Gym

Schedule your appointment at <https://tinyurl.com/2bjt2dwc>

Kindly show your receipt/ticket (on your phone, or print-out) to the staff members when entering the venue. Walk-ins are welcomed

All participants must submit a consent form. Printed copies of the consent form are available at JFK High School or fill an online form at <https://tinyurl.com/3xvaw4b3> and bring the printed copy on your appointment date. **Students must present a valid government or school ID for proof of age.** Students who are under the age of 18 must be accompanied by one parent or, by a legal guardian while receiving the vaccine.

Participants are to follow the COVID-19 Mitigation Guidelines:

Undergo a temperature check before entering campus; Wear a mask at all times; Maintain a physical distance of at least 6ft.; Wash hands or use hand sanitizer often; Arrive fifteen (15) minutes before their scheduled appointment; and Remain in their vehicles until instructed to enter the venue.

Be advised that vaccinations are given upon availability.
For more information, please contact John F. Kennedy High School at 642-2100.
