DO NOT DRINK ORDER

DO NOT DRINK THE WATER UNTIL FURTHER NOTICE

YOUR FACILITY, has experienced a situation that could result in contamination of your drinking water.

What has happened?

Non-potable water trucks have delivered water that is not safe for drinking, even if boiled.

What should I do?

Use bottled water for drinking, making ice, brushing teeth, washing dishes, and food preparation until further notice. Questions regarding consumption by pets should be directed to your veterinarian. The water delivered by truck may be used for non-potable purposes such as flushing toilets, laundry, and other household cleaning.

What is being done?

We will inform you when water is safe to drink and the DO NOT DRINK ORDER has been lifted.

For more information please contact the owner of this facility for more information.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is sent to you by Guam Environmental Protection Agency.
